

TDS – MONA-CLEAN MASTERSOLVE Concentrated Citrus Cleaner for all surfaces

DESCRIPTION:

Mona-Clean Mastersolve is a water soluble degreaser formulated to remove staining and general grime from pre-fabricated buildings and other hard surfaces. Also suitable for cleaning industrial floors, outdoor paving and hard landscape surfaces.

ADVANTAGES:

Will effectively remove staining from plastisol and other pre-finished building structures.

USES:

- Effectively removes all types of soiling, pollution and stains.
- Safe for use on painted surfaces.
- Suitable for use all types of pre-finished buildings and hard landscaping surfaces.
- Easy to apply.
- Economical.
- Ready to use product that can also be diluted.

COLOUR:

Pale viscous liquid with a pleasant citrus odour.

PACK SIZE

Supplied in 5 litre jerry cans.

COVERAGE RATE:

Dependant upon staining. May be diluted with up to 5 parts water.

APPLICATION:

A preliminary test on a small area is advised. Shake the container well before use. Depending upon the level of contamination use the product neat or diluted in a ratio of 1:5 with water. Generously spray the surface to be treated using a low pressure pump up spray. Leave until surface contamination reacts 5-30 minutes depending on surface resistance. Brushing with a stiff bristled brush or deck scrubber may improve the effectiveness of the product. Rinse by power washing with clean water and allow to dry.

EQUIPMENT CARE:

All equipment should be cleaned with water.

STORAGE:

Recommended storage is in a cool, dry place with temperatures between 10-15°C. Do not allow to freeze.

SHELF LIFE:

12 months (in original sealed container).

HEALTH & SAFETY:

Refer to MSDS
