- Effectively removes all types of soiling, pollution and stains
- Provides easy, effective chewing gum removal.
- Suitable for use on all types of paving and hard landscaping surfaces.
- Easy to apply.
- Economical.
- Ready to use product that can also be diluted.

#### USES:

For all types of paving and hard landscaping including exterior roofs and facades.

- Brickwork
- Concrete, Block paving
- Concrete Flagstones
- Concrete roof tiles
- Natural Stone paving flagstone
- Natural stone paving
- Natural stone roof tiles
- Re-constructed stone
- Render
- Interior Tiles
- Wood - Decking etc.

#### COLOUR:

Pink viscous liquid, virtually odourless.

#### PACK SIZE

Supplied in 5 & 25 Litre drums.

#### COVERAGE RATE:

Dependant upon staining. May be diluted with up to 5 parts water.

#### APPLICATION:

A preliminary test on a small area is advised.

Shake the container well before use.

Depending upon the level of contamination use the product neat or diluted in a ratio of 1:5 with water.

Generously spray the surface to be treated using a low pressure pump up spray.

Leave until surface contamination reacts 5-30 minutes depending on surface resistance.

Brushing with a stiff bristled brush or deck scrubber may improve the effectiveness of the product.

Rinse by power washing with clean water and allow to dry.

For extra effectiveness use hot water for rinsing.

#### EQUIPMENT CARE:

All equipment should be cleaned with water after use.

#### STORAGE:

Recommended storage is in a cool, dry place with temperatures between 10-15°C.

Do not allow to freeze.

#### SHELF LIFE:

12 months (in original sealed container).

#### HEALTH & SAFETY:

Refer to MSDS.
